

Sage Payroll > Suprema BioStar 2

Sage Payroll

Sage Payroll is the main payroll software product offering by Sage for small to medium sized businesses. Over half of all UK businesses use Sage Payroll to pay their staff, they also use it to manage payroll processes including payslips, employee pay, pensions, expenses, statutory pay, tax calculations, HMRC submissions and a lot more.

Sage Payroll software can be deployed online in the Cloud or installed on-premise.

Vtile

Vtile Digital Glue.

Suprema BioStar2

BioStar 2 is a web-based, open, and integrated security platform that provides comprehensive functionality for access control and video log maintenance. Users can control BioStar 2 platform remotely with the mobile app for BioStar 2 and manage a mobile access card that you can use to access sites.

Part Number

VT-BIO2-SAGP

Description

Eliminate duplicate entry with Vtile. New employees created in Sage Payroll are automatically created in BioStar 2 with an active status and predefined access group. Employees marked as leavers in Sage Payroll are automatically made inactive in BioStar 2.
